

We would like to sincerely thank **Mr. Giannis Vossos** for the kind donation of the two Anniversary patches especially designed for the *336 Squadron* and its 70 Years in service. The first one on the left is a variation of the known 336 Squadron patch and the second one on the right is a re-design of an old patch, used during the incorporation of the type in Hellenic Air Force, by **Mr. Tassos Mpalomenos**. You know such gentle movements always receive a special treatment by af.gr.
