

Pre-order now and save 15%. Pre-order open until 15th of July.

Live the thrill of flight close to the terrain and feel the adrenaline rising through the pilots' eyes of the 2nd Attack Helicopter Battalion! Witness how the most advanced attack helicopter in the world, the AH-64DHA Apache, flies and fights! Take part in night operations and feel the risk of flying in conditions where other helicopters are unable to fly. Training, operations, night missions, readiness, live firing, technical support and much more in a dynamic album that reveals the secrets of the combatants of the 2nd Attack Helicopter Battalion!

The new album from [Eagle Aviation](http://EagleAviation.gr) unfolds the story of the people of the 2nd Attack Helicopter Battalion celebrating 10 years of operational presence on the front line.

Pre-order now and save 15% (open until 15th of July).
